I hope everyone is having a productive Spring semester so far. There are still additional funds available to purchase books, so please submit purchase suggestions through eRequest by March 15 so we can place the orders. If you want to request e-book format, you can just make a note in "Additional Information" at the bottom of your request.

I'm here to help you and your students, so please contact me with any suggestions or ideas!

Are you getting the most out of "My Account"?

All faculty members have access to the library through "My Account". "My Account" allows you to:

- 1) view and renew checked out materials
- 2) save "preferred searches" in the catalog and receive alerts when new materials are added that match your search
- 3) keep a record of the materials you have borrowed (optional).

You can do all of this without coming into the library! "My Account" is linked on the library's homepage and within the library's Catalog. <u>Click here</u> for help topics on using "My Account."
