## September 2011

Greetings from your Geography Liaison

Starting this fall, I am the new liaison to the Department of Geography. Please let me know if I can help you or your students with any library needs, including research consultations, class instruction, customized research guides for courses, or requesting new materials for the library collection.

This is the first issue of our "From Your Libraries..." newsletter, and I hope you find it informative. Look for another issue mid-semester, and please let me know if I can be of assistance in the meantime.

I look forward to working with you!  
Kathy
