September 2011

Greetings from your Political Science Liaison,

Welcome back to the fall 2011 semester. This is the first issue of the library's newsletter, "From Your Libraries ...". The newsletter will provide general library information as well as information specifically helpful for you the Political Science Faculty.

As your liaison I am here to help you with requesting needed library materials, instruction sessions on library resources that would improve your student's research, or just being your point of contact if you or your students have questions or issues with any library service.

Please remember that all book or video requests are made through ["eRequest"](#) throughout the academic year. Journal requests can be sent directly to [Gary Geer](#) of our Collection Development Office.

If you have any other questions feel free to contact me at either [Bill Sudduth](#) or 777-1775.
