eRequestUse 'eRequest' for book

November 2011

We hope you enjoyed reading the first issue of our newsletter. Our goal is to keep you up-to-date about services and collections at Thomas Cooper Library.

Remember to send in your book/media requests to help us build our collection. With more titles available electronically, we are interested in your thoughts about e-books. Tell us more by completing the poll in the "Talk to us..." section.

Best regards, Amy Edwards

Access to statistics produced by the U.S. government, major international intergovernmental organizations, professional and trade organizations, commercial publishers, independent research organizations, state government agencies, and universities. Click here to access.

LibGuides

Each guide is created by librarians for the students and faculty at University of South Carolina. Don't know where to start? The guide will lead you to books, journal articles, internet resources, and more on whatever topic you are researching. Take a look!

If you would like to have a guide prepared for your course contact us at: tclrefbi@mailbox.sc.edu

requests. Remember to continue submitting requests for books you would like the library to add to the collection.

Click here

if you have an established account or would like to create one. Otherwise send your requests to your department's faculty representative or to your liaison.

Library Books Delivered to You!

If you are USC-Columbia faculty or staff and there is a book we own that you want to check out without coming to the library, we can deliver it to your department on the USC-Columbia Campus through Faculty Book Delivery.

For more information click here.

LIBR 100: Information Literacy

Do you have students looking for information, research skills, and 1 credit? For Spring 2012 the University Libraries is offering a 1 credit course called LIBR 100: Information Literacy. Three sections are

being offered, one of which will emphasize science resources. For more information go to http://library.sc.edu/libr100.html
