Hello!

Welcome back to an exciting new semester! I am the Theatre and Dance liaison from the Thomas Cooper Library and look forward to working with you. This is the first issue of our newsletter "From Your Libraries ..." The newsletters are designed to provide general library information as well as information catered directly to your department.

I am always available to answer any questions that you may have about the University Libraries. I am also available to provide your students with help through library workshops as well as meet individually with new research assistants or anyone needing a little more attention.

Sincerely,
Karen W. Brown
