Greetings:

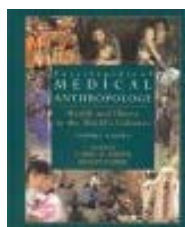

Fall is here and students are back! If you have assigned any undergraduate projects involving a research component this semester, please consider directing your students to the library for a [Book A Librarian](#) session. We can help your students to develop search strategies and to discover and select the best materials.

Have you checked out our recent [LibGuides](#)? If you would like one made for a class, contact me at [dillarda@mailbox.sc.edu](mailto:dillarda@mailbox.sc.edu).

As always, please feel free to contact me at any time for all of your library and research related needs. Have a great semester!

Amie
