The South Caroliniana Library collections are now housed in offsite locations until renovations can be made to safely store the library's one-of-a-kind treasures in the 175-year-old structure.

New Procedures:

Researchers must contact reference staff in advance of their visits via email at

scoref@mailbox.sc.edu or by phone at 803-777-3132 to allow for delivery of collection items to the library. There are restrictions on the amount of material that can be requested at one time since it must be retrieved from remote locations.

New Hours:

The reading room will be open to patrons from 8:30 a.m.-5 p.m. Monday-Friday.
