## The Library At Your Fingertips

We know your time is valuable. That is why we work hard to put our collections and services at your fingertips. This year, the library has added over 200,000 [ebooks](#) to our collection covering a wide range of subject areas. You can easily access printed materials with our [Faculty Book Delivery](#) service for books and films and [Scan and Deliver](#) service for articles. Use [Quick Search](#) to find all of these materials in our

collections through one search box. Our [Interlibrary Loan](#) service will connect you with resources not available at our library. And if you ever need help, don't hesitate to [Ask a Librarian](#).

## eRequest

Use 'eRequest' for book requests. Remember to continue submitting requests for books you would like the library to add to the collection.
