

From Your Libraries . . .

October 2014

Statistics Liaison

Stacy Winchester
winches2@mailbox.sc.edu
777-1968

Greetings! I'm very excited to be thick of things halfway through my first semester as Thomas Cooper Library's Sciences and Engineering Librarian.

If we haven't yet met, I began in this position during the summer. I come to the university with 12 years' experience as a librarian. I have a BS in Biological Sciences from Clemson University and a Master's of Library and Information Science from the University of South Carolina.

If your class has a research component, please consider setting up an instruction session with me. You can bring your students to the library or I can come to your classroom to show your class how to use library resources. I can also create research guides tailored to your assignment and I can be available to meet individually with your students for research help.

I look forward to serving you and your students. Please let me know what I can do to help you with access to information or to help your students succeed.

Stacy

Online Journals

Ever wondered how you can find whether the library has online access to a particular journal? Visit the Library's website at library.sc.edu and click [Locate Online Journals by Title](#) . You'll find out whether we

eRequest

Use 'eRequest' for book requests. Remember to continue submitting requests for books you would like the library to add to the collection.

[Click here](#) if you have an established account or would like to create one. If not, send your requests to your department's faculty representative or to your liaison.

have access to the publication you want and which years are available.

The Library At Your Fingertips

We know your time is valuable. That is why we work hard to put our collections and services at your fingertips. This year, the library has added over 200,000 [ebooks](#) to our collection covering a wide range of subject areas. You can easily access printed materials with our [Faculty Book Delivery](#) service for books and films and [Scan and Deliver](#) service for articles. Use [Quick Search](#) to find all of these materials in our collections through one search box. Our [Interlibrary Loan](#) service will connect you with resources not available at our library. And if you ever need help, don't hesitate to [Ask a Librarian](#).
