We want to hear from you! You will soon be receiving an email from Tom McNally, Dean of Libraries, with a link to an important faculty survey. This survey focuses on research, teaching, and publishing, and it seeks your perspective on a range of topics, including how you engage with and perceive the library. In particular, the survey will help the library gain insight into how our faculty members work in a rapidly changing and increasingly digital environment.

We hope you will take a few minutes from your busy schedule to assist us!

Streaming Films and Blackboard

Have you found a streaming film that you would like to have your students watch? Add a link or embed the film into your Blackboard class so that they can watch it ahead of time and discuss it in class. The following documents (along with the video to the left) will walk you through the process of adding the film in Blackboard. Click [here](#) to access.
