Dear Sociology Faculty,

Happy spring semester! I hope you all had a wonderful winter break and are settling in nicely to new the semester. I just wanted to check in with you all to let you know that it is never too late to request library instruction sessions from me, make material requests, or ask me about anything I can do to assist with the research needs of you or your students. Also, be sure to put your book orders in soon to take advantage of your department's remaining annual collection funds. Feel free to contact me any time!

Sincerely,  
Brent Appling
