We want to hear from you! You will soon be receiving an email from Tom McNally, Dean of Libraries, with a link to an important faculty survey. This survey focuses on research, teaching, and publishing, and it seeks your perspective on a range of topics, including how you engage with and perceive the library. In particular, the survey will help the library gain insight into how our faculty members work in a rapidly changing and increasingly digital environment.

We hope you will take a few minutes from your busy schedule to assist us!

This resource provides streaming videos of independent, documentary, educational, and social issues films. Browse for films in multiple subject areas including Geography, Environment, Development, Cultural and Ethnic Studies, and World Regions. Click [here](#) to access.
