We want to hear from you! You will soon be receiving an email from Tom McNally, Dean of Libraries, with a link to an important faculty survey. This survey focuses on research, teaching, and publishing, and it seeks your perspective on a range of topics, including how you engage with and perceive the library. In particular, the survey will help the library gain insight into how our faculty members work in a rapidly changing and increasingly digital environment.

We hope you will take a few minutes from your busy schedule to assist us!

Our entire Greek and Latin Classical heritage is represented here with up-to-date texts and accurate English translations. Epic and lyric poetry. Tragedy and comedy. History, travel, philosophy, and oratory. The great medical writers and mathematicians. Those Church Fathers who made particular use of pagan culture. More than 520 volumes of Latin, Greek, and English texts are available allowing readers to browse, search, bookmark, annotate, and share content with ease. . Click [here](#) to access.
