

From Your Libraries . . .

October 2016

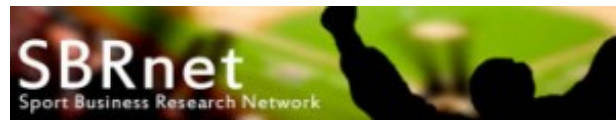

HRSM Liaison

Paul Cammarata
paulc@mailbox.sc.edu
777-1327

Greetings! As your liaison I am your connection to the University Libraries resources and services. I am here to provide support and to answer any questions you might have about the library. Please contact me if you need assistance.

Paul

[SBRnet](#) is the most comprehensive database in existence for sports business, providing coverage of sporting goods, sports e-commerce, sport marketing, sport sponsorship, sport facilities and sport broadcasting. This database now contains [Brand Share Market Reports](#).

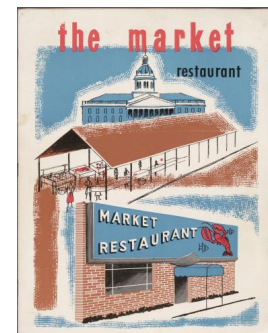

Featured Item

[Travel & tourism market research handbook 2017-2018](#)

The Menu Project

[The Menu Project](#) is the beginning of a community wide effort to record the contemporary culinary history of the Southeast, in particular that of South Carolina. This collection has been created from donations of menus from local citizens and will continue to grow over the years. While the majority of the menus come from the southeast, there are some that come from other parts of the country creating an interesting contrast between the cuisines offered

eRequest

Use 'eRequest' for book requests. Remember to continue submitting requests for books you would like the library to add to the collection.

if you have an established account or would like to create one. If not, send your requests to your department's faculty representative or to your liaison.

in the southeast as opposed to other areas of the country. This is the beginning of an extensive digital collection of menus that will record food history and culture for future generations.

Open Access Week 2016

Check out our [happenings](#) that help faculty and graduate students navigate the world of scholarly communications. Join us for workshops and a viewing/discussion of *The Internet's Own Boy*. Watch [official trailer](#)

Remember When?

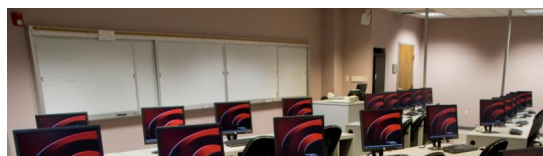

To celebrate Thomas Cooper Library's 40th anniversary this year, we are creating a memory book and oral history. Anyone who spent time in the library is invited to contribute a special memory or moment. Did you

have a favorite study spot? Meet your spouse? Have a go-to librarian? Let us know by sending your Thomas Cooper Library moments to libcommo@mailbox.sc.edu.

Institutional Repository

[Scholar Commons](#) is the institutional repository for USC. It's designed to preserve, collect and

disseminate the research and scholarship of the University of South Carolina. You are encouraged to submit your open access material in all formats to the repository. Then search open access publications from 400 other affiliated Institutional Repositories from around the world.

Upcoming Workshops

- Copyright for the Classroom
- Free Textbooks! Open Educational Resources
- Introduction to Zotero

- Predatory Publishers
