While we are already halfway through the fall semester, welcome back and we hope your fall semester is going well. It's not too late to schedule a library session if your classes might need an introduction to government information and always never too early to schedule a session for the Spring semester. Please remember that you and your students can contact [Bill](#) or [Debbie](#) anytime for research consultations and class sessions. Remember to send in your book/media requests to help us build the political science collection. Our goal is to provide a collection that meets your needs for teaching and research.
