As your liaison to the library, I can provide instruction for your students, develop online guides for your courses, and process purchase recommendations for the library's collection. I'm here to answer any questions you may have about how the library can support your teaching and research. I look forward to working with you this year!

have a favorite study spot? Meet your spouse? Have a go-to librarian? Let us know by sending your Thomas Cooper Library moments to [libcommo@mailbox.sc.edu](mailto:libcommo@mailbox.sc.edu).
