Dear Sociology Faculty,

I trust everyone's spring semester is chugging right along. I just wanted to send you a quick message to remind you to keep sending in book and material orders and to send me any of your students who need research help before the big projects are due at the end of the semester. I also wanted to inform you that a graduate student in Sociology, Derek Silva, participated in a panel discussion earlier this semester about graduate level research that was held at Thomas Cooper's newly opened Scholar's Corner. This was an excellent talk geared toward undergraduates interested in attending graduate school. Derek did a fantastic job representing your department and proved an enthusiastic advocate for research in general. Keep an eye out for similar events held by Scholar's Corner in the future.

Sincerely,
Brent Appling
