Welcome back from Spring Break. Please remember to get any book requests in by March 15th or as soon thereafter. Also, it's never too late to book a class session as your students work on those end of term projects. Or if you have a student that needs some extra help with library resources just have them contact me at [sudduthw@mailbox.sc.edu](mailto:sudduthw@mailbox.sc.edu).

I've had several questions lately about the library's online full-text journal holdings. Full Text Finder is our resource for quickly checking what we receive online full-text. Full text Finder is accessible from the "Locate Online Journals by Title" link on the library's main page. A search will identify what database(s) and the years of coverage that database provides for full-text. If you have any questions do not hesitate to call.
