Yay, It's Spring--and very much so! While it is lovely outside the library, it's also lovely inside. Just a reminder, if you need a space to meet with students, our Study Rooms can be reserved up to 2 weeks in advance, and are available 24 hours a day. Our consultation schedule is filling up, but feel free to let your students know that I am still available for research consultations if they need assistance with their projects. I hope you and they had a great spring break, and are refreshed and ready for the second half of the semester!"
