

HELLO!

I am sending you this preview edition of the GIML Newsletter to give you an idea of what the final product will look like. It is important that you provide me with information to fill these columns. Without news, our newsletter will be nothing more than blank pages.

INFO

Any information relating to the Gordon Institute For Music Learning should be included, along with related work. If you are involved with projects that are connected with the institute or are related to Music Learning Theory, please send them to me as soon as possible. Also, please send along any personal information which you would like to share with the rest of the Board. This first issue will be rather informal and I am sure everyone would enjoy reading about important happenings in our personal lives.

IDEAS

Please send along your ideas regarding columns to be included in the newsletter. I have thought of a few:

PRESIDENT'S CORNER
PERSONALS
GIML UPDATE
EDITOR'S DESK

If you object to these, please let me know. If you have any additional suggestions, or if you would like to be

responsible for a column, please inform me. This newsletter can only succeed if it has "*your input*". Please support the effort and do your part.

DEADLINE

Obviously, the original date we set up as the deadline for news has come and gone. However, if you can send me whatever information you have available by **FEBRUARY 1, 1988** then I shall try to publish no later than February 15th.

"FLASH"

It has been rumored that the IRS has gone on a permanent vacation. Details are sketchy at this point. Stay tuned for the latest information. Perhaps we should consider a covert operation. It seems to be the "in" thing to do.
